

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Matthew Anderson on 03/04/09.

The application has been amended as follows:

Claim 1 (Currently Amended) A method for graphics processing, comprising:
receiving node and view data for a graphic object in a data processing system;
building a binary-space-partition tree corresponding to the graphic object, the binary-space-partition tree having up to a predetermined number of at least one shape associated with each leaf;
sorting shapes at each leaf of the binary-space-partition tree; and
outputting the sorted shapes from the data processing system.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

The prior art does not teach a method and system for graphics processing comprising: building a binary-space-partition tree corresponding to the graphic object, the binary-space-partition tree having up to a predetermined number of at least one
